

See the Twister Bike at:

www.thrustbuster.com

**This bike will be offered on e-bay as soon as I get
her home from Sturgis !!**

**YOU CAN OWN THE WORLDS 1ST AND ONLY PROPELLER
POWERED H-D V-TWIN (CUSTOM CHOPPER)**

Her accolades so far in her short life in 07 alone include---

**: Feature article and COVER story Trikes International magazine in
the January/February 07 issue. Featured again in the May/June issue of
Trikes International magazine (due to popular demand from letters to
the editor in the March/April 07 issue).**

**: Featured on the "Chopper Scene" page of Chopper Build magazine in
March 07. Featured again on the "Chopper Scene" page of Chopper
Build magazine in July 07.**

**: Bike of the month, ABATE of Minnesota's Road Noise Magazine,
March 07.**

: Feature article in Canadian Biker Magazine, April 07.

: Feature article in Longriders Magazine, April 07.

: Feature article and COVER story in Crossroads Magazine, June 07.

: Feature article in Hardtales Magazine, Summer 07.

**: Feature article in the Grand Forks Herald Newspaper, Sunday May
27th with the story about the day Jay Leno called me to personally
congratulate me on a job well done and to tell me she was a "cool bike"
NOTE--This was a rewarding moment for me after thousands of hours
working alone on this project. It felt good to be acknowledged by a true
bike fanatic who really knows his stuff !**

**Bike show awards,(so far)... I took home nine trophies, from the six
motorcycle shows I entered in the upper Midwest.**

**This bike has been invited on a 13 city tour from Oct. through March
with www.motorcycleshow.com sponsored by Toyota !!**
